

## Curriculum Vitae

---

### Personal Information

Name: Schlenner, Susan Mariola  
Date of birth: 27-June-1978  
Nationality: German  
Languages: English (Level C1), Dutch (Level 6/C1), German (native)  
OrchID: 0000-0002-8553-3388  
ResearcherID: P-7905-2017

### Education

**2003 – 2008** *Doctor of Philosophy at the University of Ulm*  
Supervised by Prof. Hans-Reimer Rodewald.  
**2002 – 2003** *Diploma in Biology at the University of Ulm*  
**2000 – 2002** Advanced Studies in Biology at the University of Ulm  
**2000** *Pre-Diploma in Biology at the Georg-August-University*  
**1998 – 2000** Basic Studies in Biology at the Georg-August-University

### Research Positions

**2022 – now** Associate/Full Research Professor position at the KU Leuven  
**2017 – 2022** Assistant Research Professor position at the KU Leuven  
**2012 – 2017** Senior Fellow at the KU Leuven (Belgium).  
Position with Prof. A. Liston in the Autoimmune Genetics Laboratory, Department for Microbiology and Immunology.  
**2009 – 2012** Post-doctoral Fellow at Harvard Medical School / DFCI (USA).  
Position with Prof. H. von Boehmer in the Department for Microbiology and Immunology.  
**2008 – 2009** Post-doctoral Fellow at University of Ulm (Germany).  
Position with Prof. H-R. Rodewald at the Institute for Immunology.

### Scientific Association Memberships and Affiliations

**2023 – today** Board member of BSAC  
**2021 – today** Co-Founder and Member of the Leuven Institute for Single Cell Omics (LISCO)  
**2021 – today** Member of Leuven Cancer Institute (LKI)  
**2020 – today** Belgian Society for Cell and Developmental Biology  
**2014 – today** Member of the Editorial Board of Frontiers in Immunological Tolerance  
**2012 – today** Belgian Immunological Society  
**2010 – 2012** Harvard Medical School, Research Fellow in Microbiology and Immunology, Harvard University

### Teaching

**from 2023** Teacher in 'Clinical mechanisms of immunology & immunotherapy'  
**2022** obtained University Teaching Qualification (UTQ)  
**2021** Member of the POC Advanced Master in Deglutology (KU Leuven, program director: Prof Nathalie Rommel)  
**2019 – today** Teacher in 'Advanced Studies in Genetics (E03NOA)'  
**2018 – 2021** Teacher in 'Introduction to biomedical literature (E06E5a)'

Susan Schlenner  
Feb-2023

**2018 – 2021** Teacher in 'Biomedical Literature Seminar (E08C8a)'  
**2018 – today** Teacher in 'Topics in Immunology (E05N4a)'  
**2018 – today** Teacher in 'Methods and Scientific Writing (E01O3a)'

### **Institutional Responsibilities (2016 to today, selected)**

**Ongoing** Expert on Thesis Supervisory Committees and thesis evaluator of PhD candidates (KU Leuven internal as well as external)  
Jury member for Master's Thesis defenses  
Evaluator for funding agencies (national and international)  
Reviewer for and Editorial board member at several scientific journals
